

“Students who participate in dual enrollment programs during high school are more likely to graduate high school, enter college, and complete their degree and/or transfer than their peers who did not participate in dual enrollment. Therefore, the underrepresentation of Black students in dual enrollment programs during high school becomes an equity concern.”

**WEBINAR REGISTRATION IS OPEN!**

# Dual Enrollment & Equity: Opening Doors to College Access and Success for Black Students

**Friday, May 8, 2026**

**12:00pm-1:00pm**
